An Equal Opportunity Employer

Dear Committee Members:

The Department of Workforce Development (DWD) has received your request in association with I.C 5-16-7-1, for construction wage data specific to your county. The enclosed information identifies the construction wages to be used on projects in your county as of January 1, 2004. This survey is based on data collected for commercial and heavy/highway projects for counties throughout the state. The survey data enclosed covers the period from July 2003 through December 2003.

Thank you for your request. If you have further questions or comments, please direct them to my attention. I can be reached at (317) 233-1463.

Sincerely,

Patti Yount
Director of Governmental Affairs

CITY Gas City COUNTY Grant INDIANA

We the undersigned Committee, appointed pursuant to Indiana Code (I.C. 5-16-7), as amended in 1995, do fix and determine the common construction wage scales to apply on

Renovation Project at Mississinew High School

(JOB CLASSIFICATIONS ATTACHED)

FOR THE SEVERAL CLASSIFICATIONS OF LABOR AS FOLLOWS:

(SEE ATTACHED "EXHIBIT A")

ALL APPRENTICES - As approved by the U.S. Department of Labor Bureau of Apprenticeship & Training.

The Wage rates under columns of **WAGES** **FRINGES** are the minimum wage rates to be paid and shall not prevent the employer from paying a higher wage rate.

Stipulation as to the employment of apprentices as semiskilled: Apprentices will be permitted to work at the semiskilled rate for the classification of work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Bureau of Apprenticeship Training. Their wage rate will be their individual warranted percentage of the herein listed skilled classification common construction wage rate. Apprentices shall be permitted to work only at the ratio to journeymen as the apprenticeship program standards state.

The absence of a wage determination for the classes of unskilled workers in a particular classification is the result of the committee's determination that the common practice in the immediate locality is not to use unskilled workers in that classification on construction sites.
